“ Doug you are truly an amazing individual!! You are going to be greatly missed and will never be forgotten. Your brother, David, loved you sooo much and I hope that you two are in Heaven having a beer together, laughing and playing like you did when you were kids. I loved listening to you two try to pull rank on each other, sharing stories, punching each other in the shoulders and chest, and sharing those "bro" moments like no other. I couldn't even get a word in edge wise, because the competition was always fierce.

To all your family and friends.....I send my sincere condolences!! You were taken much too early!!! May our Lord, Jesus Christ provide comfort to their hearts and joy in their memories of you, Doug. Doug will always be beside you, watching over you....remembering you, as you remember him.

Take solace knowing...

"We are confident, yes, well pleased rather, to be absent from the body and to be present with the Lord." II Corinthians 5:6

I love you Doug - Rest in Peace Brother!!

“ Dougie was such a loving and caring family member. He always wanted to know what you were up to and always took interest in everyone's talents and hobbies. We had fun sharing his love of music, wrestling and his collections. Never missing any family gathering, he made it a priority to be there for everyone. He will be deeply missed, and loved always. Sending our love and prayers, the Kesler family.
