

Douglas Stephens

September 9, 1962 - September 26, 2021

Doug Stephens passed away at the City Creek Post-Acute Center in Salt Lake City on September 26, 2021. He was born on September 9, 1962 in Ogden, Utah to Brent and Karla Stephens. Doug grew up in Ogden and graduated from Ogden High School where he enjoyed being in the marching band and musicals. He attended Weber State University. He worked at various jobs in his career including time at Hill Air Force Base and IHG/Holiday Inn.

Doug had a great sense of humor and had a knack for remembering minute details from the past and from old TV shows. His favorites were The Andy Griffith Show and The Golden Girls. He loved to go “junking” at estate and yard sales and the DI. He had a talent for finding treasures in the least expected places. He enjoyed cooking and decorating his home. He was a great dog dad to Leo and Chubb-Chubb. He is survived by his mom and sisters.

Many thanks for the great care he received from City Creek Post-Acute Center, Community Nursing Services, and the University of Utah Hospital. A private memorial service will be held at a later date.

“ Today I heard a very dear and special friend had passed. Doug was a wonderful guy and always treated us as family. He will be missed but thankfully he is no longer suffering or in pain. My thoughts and prayers will be with the family during this difficult time. May you Rest In Peace Doug. We love you!

“ So sad to see Doug's obituary, haven't seen him since he moved to SLC but we had many good times and wonderful dinners both at his home and ours when he was healthier and lived in Ogden. We have so many good memories of Doug and Leo, he loved antiques and we brought some glassware treasures home to him from the family estate in Maine, he was thrilled and displayed them so well. He suffered for too many years waiting for his liver transplant, don't know if he actually ever got one while in SLC. We hope that he is resting in peace and pain free finally. We'll treasure the great memories of him always.
