

Elgin Bradley Williams

June 19, 1943 - June 20, 2021

Elgin Bradley Williams passed away June 20, 2021 in his sleep following complications of a head injury. He was born in Salt Lake City on June 19, 1943 to Elva Morene Hudson and George Bradley Williams. He was the middle child of six and enjoyed a wonderful childhood. He graduated from Highland High School in 1961 and went on to graduate from Utah State University in 1970 after serving a two year LDS mission in the North Central States Mission. Elgin served in the Air National Guard including active duty on Naval Station Treasure Island. He married his sweetheart, Joan Heiner, on June 30, 1967 in the Salt Lake LDS temple.

Elgin was a loving father of three daughters, a role in which he delighted in. His family was his pride and joy. He loved gathering together with them often and always went all out for his annual family Halloween party, Easter Egg Hunt and Christmas. Young or old, the grandchildren look forward to these holiday events. Elgin worked hard at providing for his family. For many years he worked in real estate investment, but he was also an entrepreneur. He owned a women's clothing store and a Chevron gas station. Whether at work or home, he would never give up until a task was completed.

Elgin loved life. He enjoyed camping, skiing, boating, golf, working in the yard, playing cards, watching movies with popcorn and spending time at the family cabin. Everyone loved being around him. He had a great smile and an infectious laugh. He loved a funny story or joke. He was such a kind and thoughtful man and was easily brought to tears with his tender, compassionate heart.

Elgin was an active member of The Church of Jesus Christ of Latter Day Saints. He served faithfully in many callings including High Priest Group Leader, counselor in a Bishopric and a two year service mission with his wife, Joan, in Kearns, Utah. He spent his life helping and serving others. He was extremely loyal and would always be there for anyone when needed. Many have been touched by his genuine concern and interest in their lives. We rejoice in the knowledge of the Resurrection and look forward to a glorious reunion with him.

Elgin was preceded in death by his beloved wife Joan, parents, Brad and Morene, brother Phillip (Sherry) Williams, and grandson Chandler. He is survived by his three daughters: Stacy (Jim) Cassell, Andrea (Scott) Thompson, Molly (Adrian) Porter, nine grandchildren and three great-grandchildren. He is also survived by his brother Dee (Dionne) Williams, and his sisters Susan (Michael) Hatch, Rosemary (Brad) Frost and Rebecca Duncan.

Funeral Services will be held on Thursday, July 1st at 1:00 pm at the Wasatch Stake Center, 8170 S. Short Hills Dr. Cottonwood Heights, UT. A viewing will be held on Wednesday, June 30th from 6-8 pm and Thursday, July 1st from 11:30-12:30 at the same location.

Comments

“ We were blessed to have Elgin and Joan as neighbors and friends for over 30 years. Elgin possessed an accepting and loving personality, as well as a wonderful sense of humor. He radiated warmth and we loved our time with him whether it was dinners together or simply visiting over the fence. All of our children have similar fond memories of Elgin. This extended to our grandson Logan, who, starting at the age of two, always wanted to go next door to see Elgin. Elgin was a fun, thoughtful, kind, sweet soul and we miss him.

Marva J Nielsen - June 26, 2021 at 02:38 PM

“ I know he loved having you as neighbors and friends as well. I'll never forget the weekend of my mission farewell when my dad decided to build a deck on the side of the house at the last minute. Eric and your son were over helping late into the night. You were always so thoughtful in reaching out to help. Thank you!

Molly Porter - June 28, 2021 at 02:58 PM

“ Stacy, Andrea, Molly, and family- I feel truly blessed to have had the influence of your father in my life. He was a man that focused on what was the most important Family, Faith, and Friends. He was a gentle giant and made everyone around feel special. I am a better person because I knew Elgin and will be forever grateful.

I love you all and wish you peace and comfort during this tender time.
