Those who know Elvin, knew he had a fun loving personality, he always teased the people he liked. Elvin had many friends, the kind of friend that once he made a friend, they stayed and remained his friend throughout his life.

As Elvin's family, we would like to take this time to thank the neighborhood Dee's Family Restaurant on Twenty-First South and Seventh East in Sugar House, for being such true friend to Elvin. Elvin, would come into Dee's Restaurant without his oxygen, and the owner would send someone out to his car to get it for him. Or when they didn't see him for a few days they would call his home or his family to make sure that he was alright.

We would also like to thank the Gentiva Hospice Care for their compassionate service and care.
