Gary Elmo Boswell, 76, of Eureka, UT, passed away peacefully at home surrounded by his loving family on August 26, 2020. He had Parkinson's and dementia but fought a hard battle and was coherent and active until the end.

Gary loved the outdoors. He loved to boat, fish, camp, hunt, and spend time with his friends and family. He was a lifetime member of the Tintic Elks Lodge B.P.O.E. #711. He also spent time as a member of the local search and rescue Jeep Patrol.

He began that career in his youth as a laborer and transitioned into supervisory roles and heavy equipment operations. He retired at EG&G Tech Services in Tooele as a PAS/Utility Operator and a certified operation supervisor. Most interestingly, he spent some time working at Area 51.

Gary was a wonderful Father, husband and friend and will be missed by all who knew him. The family would like to extend a special thanks to all medical personnel and supportive staff who visited, helped him through his struggles and into his next journey.

“ I got to spend considerable time with Gary while working at TOCDF, and he was always a pleasure to be around. As honest and dependable as the day is long. The world could do with more people like him. I'm sure he'll be deeply missed by many.

My sincere condolences to his entire family and all of his friends.
