

Genvene Adams Steed

January 12, 1933 - October 25, 2020

Our sweet wife, mother and grandmother passed away Sunday, October 25, 2020.

Gevene was born January 12, 1933, in Delta, Utah. She was the youngest of eight children born to Alexander Adams and Martha Jane Cameron. Gevene's early years were shared with her family on their farm where she learned the value of a Christ centered life, love, sacrifice and hard work from her parents and siblings.

After one year at Brigham Young University, Gevene's father passed away. Shortly thereafter, she started working at the Family History Center (formerly The Genealogical Society) to provide for herself. During this time, she enjoyed working, making lifelong friends and increasing her testimony of Jesus Christ. Additionally, many weekends were spent at her sisters' homes as they cared for their stroke-ridden mother. Gevene and her siblings' service during their mother's final seven years instilled in her the gift of putting others' needs before her own.

Gevene met her future spouse, Michael Steed, on a blind date. She was impressed by his sense of humor and perfect manners. They were married and sealed in the Salt Lake Temple on November 17, 1967, and were later blessed with two children and six grandchildren. Gevene's life was preserved on several occasions to witness the marriage of her son and the births of her grandchildren. Gevene's family and "precious" grandchildren were her greatest joy. In spite of her many health challenges, she continued to shower those around her with love and her testimony of the gospel of Jesus Christ. Gevene lovingly served in many church callings and spent most of her time giving quiet service to those around her. She lived by the admonition "do many [good] things of your own free will."

Gevene is survived by her husband, Michael; her children and their spouses: Allison & Scott Parson, Gregory & Jennie Steed; her grandchildren: Rachel, Alex, Marisa (Taven) Herd, Grace, Gavin and Jack; and her many beloved nieces and nephews. She is preceded in death by her parents, her brothers: Cameron, Clarence, Frank and John; and her sisters: Mary, Jo and Martha.

Our family is grateful for the loving care provided by Quality Hospice and her caregivers, especially Becky, Alexis, Lina and Amanda. We love you!

Gevene will be laid to rest in the Murray City Cemetery in a private family service. In lieu

of flowers, please consider sharing a memory on <http://www.premierfuneral.com> or donating to Quality Hospice's humanitarian support (call 801-747-0330 for further details).

“ Mike, we were so sorry to learn of Gevene's passing. We remember when you met Gevene, and we were so happy for you when you were married. We know you have had a wonderful life with her and your children. May your Heavenly Father be with all of you and bless you with peace and consolation at this time of sorrow in your lives. “ Mike- We have such sweet memories of Gevene. You moved in to our ward after your family was raised so we don't know your children well, but knowing the two of you - we are sure they are wonderful. Your daughter had triplets at the same time that our son had twins. Gevene and I created a bond over our preemies and we kept track of them through the years. We never heard her say an unkind word about anyone. When she took on a responsibility or calling, she quietly and efficiently did an amazing job, not needing other's praise or notice to motivate her. She was a thoughtful gospel scholar. She listened, she analyzed and she learned - never needing to impress others with what she knew. If she ever made a comment in Relief Society people really listened, because when she spoke, she had something important to say. We count ourselves lucky to have known Gevene and express out love to you and your family at this time of missing her.

“ The first time I remember Aunt Genvene she had come to Grandma Adams home for a visit from collage. We would go to her house and then walk to church. We had always had homemade bread in our house, but at Grandma's she had bread from the store and if we ever got a piece it was a big treat. Well his Sunday Aunt Genvene had put two slices of bread in the toaster and had forgotten it and off we went to church. We we got back to Grandma's there was those Wonderful pieces of Bread in the toaster. I couldn't believe that they were there and she threw them away, she said that they were no good. I loved my Aunt Genvene and always enjoyed seeing her. After my father passed away we asked her some questions about him, she really didn't know him until he was married to our Mother, because she is so much younger, I really enjoyed the stories.

So sorry we missed the services we did not receive a call. Just know that I loved her very much. She was always such a good example of Christ just like her Mother.

Love your Cousin Phyllis Adams Patterson (Cameron's daughter)
