

## Glenda L Petereit

September 17, 1950 - April 26, 2020

Glenda L. Petereit, 69, of Lehi, Utah, passed away Sunday, April 26th, 2020, with her family by her side.

She was born to parents, James W. & Essie V. Kittoe, Sept 17th, 1950 in Dodgeville, Wisc. Glenda graduated from Cuba City High School in 1968.

Glenda is survived by her husband; Robert E. Petereit married in 1980. She is also survived by her 3 children: Dawn M. Huntley (spouse Mark A. Barrett), of Willis, Texas; David R. Petereit, of Lehi, Utah; and Danalee R. Webb (spouse James P. Webb) of Harker Heights, Texas. Glenda is also survived by 4 granddaughters; Cheyenne (spouse Kody Davis); Baylee, Hadlee and Kinlee. Brother, James Kittoe of Mesquite, NV. and sister, Jane Swanson of Argyle, Wisc , as well as many nieces and nephews. She was preceded in death by her parents and sister, Mary Peterson.

Glenda loved spending time with family, playing games around the table and laughing. Her laughter would lead to a snort then to more laughter with tears, it was contagious. Glenda was a devoted wife and companion to Bob for 39 years and one of their favorite activities was dancing. She was a very proud Mom and Grandma. She treasured spoiling her family; it gave her a reason to go shopping, not that she needed one. She enjoyed visiting with friends, gardening and there wasn't a home project she couldn't do. She had a giving nature and her thoughtfulness was heart felt. She will be greatly missed.

At this time, the family will not be holding a memorial service and we thank everyone for their continued thoughts and prayers.

“ Thank you all who commented on the memories you had with my sweetheart Glenda. I hope she could let you know in your heart how much she valued each and everyone of you. Especially the Cabela team. She kept in touch with several of you and even though she may not of commented back, she would always tell me about what you had written and then refresh my memory of what area you worked in, what you looked like, and even try to go back and somehow get a picture pulled up to make sure I rent Membered you  
So what I am saying is that she did love each of you and your friendship meant a lot to her. The hole in my heart is pretty large right now. And it will never heal completely. I thank everyone for their warm and gracious comments.

“ I've known Glenda for as long as I can remember. My family and I lived next door to her family. We grew up together. We had some great times. I use to hear about her and her sisters and brother through Essie, her mom. Essie and I wrote letters back and forth for years until Essie passed away. Essie usually kept me posted on any events in her family. I was so sad to hear she had cancer. My mom passed away almost 20 years ago from cancer. I am Kim Lowery and I now live in Platteville, WI. One night there was a very severe thunderstorm and our house didn't have a storm cellar. Glenda and her family braved the storm to come and get us as they did have a basement. Glenda just scooped me up onto her back and ran for her home and basement. Her whole family were very loving and giving people. I can remember her long hair. My dad always puller on her pigtails.

May the grace of God be with her and may she rest in peace!!

“ Glenda blessed me with meeting her daughter when her family moved to Nebraska. Danalee and I were in high school together and we became fast friends. Although many memories stand out to me about Glenda, I remember a fond moment at Danalee's, I think, 17th birthday party. As impatient and, frankly impractical teenagers are, we wanted cake and presents, but when we became to impatient Glenda started laughing and friendly started tapping people with the leftover role of Back Street Boys wrapping paper she used on the presents for Danalee. Although Danalee was a little embarrassed. When I look back on it, I always smile. She knew how to make sure, we always knew, she was there.

“ I had the joy of working with Glenda for years. She was always so kind and we had a lot of fun. From poker night, to fun in the cash office, She was always a joy to be around. She was my go to for all things cash office, and I would call her for help, even after moving to a new store. And I'd love to hear her talk about her love for her kids and Bob every time I came into the cash office for anything. You could tell they were the center of her world. She always had a picture and a story. You will be missed Glenda.

“ I worked with Glenda at Cabelas in Lehi. She was in the cash office and she was so easy to work with. I loved going down to visit her in the cash office . Her smile always made my day. My heart aches for her family especially Bob whom also worked at Cabelas. These two people are a great example of how married couples should be. Glenda was always so concerned about Bob . I cannot imagine how it would be to loose someone so close. May God bless you and comfort you and your family at this difficult time. Prayers for you and your family.

“ Glenda was always so upbeat and her energy was contagious each day she came into work. She had a perfectionist mind set , everything had its place. She was the first to offer her help and always did so from the heart. She will be greatly missed and never forgotten.

“ Kathy and I send our heartfelt condolences to all in this remarkable family. Please know that our prayers and thoughts are with you in this time of grief and sadness, made even more difficult by the challenges of the pandemic we are experiencing. Family needs to be together at times like this to work through this grieving process. We know, from personal experience, that there is one we can always rely on to help us through times like these, and He is the Lord Jesus Christ. We know through His restored and revealed Gospel, that one day we can be reunited with our loved ones. We just have to remain strong, remain on the Covenant Path, and this will happen. Again, please know of our love for you, dear cousin and family.
