January 10, 1946 - August 23, 2020

Gloria Jean Guyre

Born January 10, 1946

Peacefully passed away in her home on August 23, 2020. She was a brain cancer survivor that fought for many years from dementia and other health issues. We are consoled and blessed to know that she has gone home to join her mother and father Irene and Jack Guyre and other family and friends that preceded her passing. Gloria was a vibrant and loving woman with an amazing talent and love for art. She will be missed deeply and remembered dearly by her three children Chris Sleater (Christopher Chesnut), Jeff Grant (MaryAnn Grant), Julie Taylor (Russ Taylor) and her brother's and sister Pat Keller (Dick Keller), Bob Guyre (Carla Guyre) and Mike Guyre and many more. She loved her 6 grandchildren and 4 great grandchildren. We love you Mom! Forever in our hearts, watching over us all as we continue our Journeys. In gratitude we say thank you for all that you are and were. Until we meet again.

We would love to have family and friends join us for a celebration of life. Time and day pending. Thank you for all the love and support and many prayers sent to the family.

In leu of flower's please consider a donation for cancer research in her memory to:

“ Gloria, my best friend, adopted sister, sister-in-law, and special Buddy. I miss you, I miss the many days, hours, and years we both spent sharing our lives with each other. You were always there for me, and I for you. We laughed together, We cried together, at one time lived together. We were aunts to our oldest kids (Chris and Rod), We were both married to brothers. To you children, Your mom was beautiful both inside as well as out.
