“ *May the many loving memories of Irene (Lalie) be forever held in our hearts and give us peace, comfort and courage to face the difficult days ahead. My heart goes out to Mark, the kids, Aunt Carlotta and all of Lalie's siblings. Lalie was always so kind and generous to me and my family. Her infectious laugh and teasing nature sometimes made me laugh so hard my face would hurt. She also had a very serious side to her when it came to her family and her faith. Lalie was a talented cook and homemaker. One of my fondest memories was when I was about four years old, Lalie was babysitting me and I wanted to play out in the water. Lalie found some fabric, made a pattern and hand-sewed a swimming suit for me. The only problem was that it fell off of me as soon as it got wet! We laughed and laughed. At that time she was only about 11 years old. I will never forget her kindness and generosity. Sleep well my beautiful cousin...until we meet again.*

“ *I was living with my brother Richard Fisher in Boise, Idaho when I met my next door neighbor Irene. She and my ex wife were on kidney dialysis so we talked about that. She introduced my to her sister Emma and we started dating and got married on July 28, 1998 in Mesa, Arizona. Thanks Irene for introducing me to a most patient and loving wife a man could ever have.*
