

## Jack A. Wilson

August 18, 1947 - November 17, 2020

Jack A. Wilson, 73, of Clearfield, Utah, passed away Tuesday, November 17, 2020 from complications of Covid-19.

He was born August 18, 1947 to Jack and Mary Wilson in Salt Lake City, Utah. He lived his entire life in Utah. He was a graduate of Clearfield High School and the Seminary program. He was a member of the Church of Jesus Christ of Latter-day Saints. He held many church callings throughout his life with his favorite calling being that of a Boy Scout leader. He was a great mentor to many youth throughout his life and enjoyed all things sports.

Jack retired in 2004 from Hill Air Force Base where he worked in the IT field for Defense Information Systems Agency. He then went back as a Contractor to DISA before ending his career as a Substitute teacher and bus driver for St. Joseph's Catholic High School. He truly enjoyed working for the school where he took the kids to all their athletic events. He also enjoyed watching the heart of the young kids while playing their sports. He was an avid Golfer and a lover of the Green Bay Packers. There wasn't a person who met Jack that didn't instantly love him. He couldn't go anywhere without running into someone he knew, and a 5 minute milk run would turn into an hour long trip because he always took the time to stop and talk with just about anyone. He was a surrogate father to many of his girls' friends absolutely crying when they all graduated from High School for fear he wouldn't see them as often as he was blessed too. Jack always had a way of making anyone he came in to contact with feel special and he valued each and every friendship he had.

He is survived by his wife, Susan, whom he was married to for 53 beautiful years. She was his everything and you would always see them holding hands. They shared a love that is very rare.

His favorite role was that of being a father to 4 girls. Lisa Maze (Mike), Melanie Gibson (Jeff), Carol Deskins (Gary) and Nina Flynn (John). He had 12 grandkids with a great grand baby on the way.

He is preceded in death by his parents Jack and Mary Wilson, his in-laws Gilbert and

Clara Darrah and his daughter Heidi.

“ I was extremely shocked and heartbroken when I got a phone call while on my way to St George last week that Jack passed away. I had no idea he was infected with COVID, as I had recovered (I hope) from the pandemic only a couple of weeks prior. Jack and I had a special relationship as co-workers with backgrounds in law enforcement, as security officers at Convergys, and most recently as bus drivers for St. Joseph. He was a great friend at work or on the golf course. He and I mostly worked different shifts, but constantly covered each other when time off was needed for one thing or another. I had him on speed-dial, but as anyone who ever called Jack will likely verify...the conversations were never speedy. We had many long winded exchanges, which I will greatly miss. Most of the times when he almost always willingly agreed to change shifts, I would exclaim “I owe you” to which he would always reply that he still owed me. If that was the truly the case....I'll very much miss the opportunity to collect. Miss you buddy...Rest in peace. To Susan and the rest of the family, I pray that you may have peace at this difficult time. We share in the same knowledge of the Plan of Salvation and what the future offers. Thanks for sharing your husband, father, and grandfather with me over the past several years.

Sincerely, Alan Rogers
