

Jake Donovan Gallegos

August 1, 1988 - March 30, 2022

Our "Son" Jake Donovan Gallegos received his wings and is now with the Lord. Jake played little league football and on to High School where he attended Kearns High, he was an exceptional player. Nobody could take him down, at times it took the entire team to tackle him, yes, little Jake. Jake battled drug addiction, with this life it didn't change the person he truly was. His laugh and smile you could hear and see a mile away, not to mention his looks, SO handsome. He had a love for working out, drawing, writing, playing the guitar and acting like a kid playing video games with his brother (Danny), niece and nephews who loved him dearly. They loved their uncle Jake so much, he would always crack jokes and make them laugh. He cared whole heartedly for his family and friends. He loved his siblings so much, they will miss him more than he'll ever know- Audrienne Gallegos (Anthony), Jessica Kierstead (Brayan), Druellie Kierstead (Misi) Danny Kierstead (Liz) and cherished his Niece (Elysia), Nephews (Izac, Donovan, Devon, Jeremy) so much and loved his parents like no other (Dan & Alisha Kierstead) as we all did for him.

The kids were raised with having dogs but Jake was attached and an outstanding dog man that cared so much for them. They gave him comfort, he would roll on the floor with them like he was one of the pack. He is with a very large pack right now that has been waiting for him at the gates. No more struggle Son. The time has come that you now watch over us. So, loved by your family whom always wanted the best for you and cared for you so deeply. ~ Fly High with The Angels ~

“ I am so sad to know you have left this world. You were such a kind and genuine person. You were always so silly and made everyone around you smile and laugh. I remember when I'd hang out with Audri at your house and you always wanted to hang out with us. I hope you rest in peace. You will be very missed. Sending love and prayers to your family. ❤️

“ I have know Jake's older sister since 5th grade. We used to hangout all the time, and where we went so did Jake. We would have sleepovers and he would hang with us all night and then sleep In the closet. He always had Audri's back! Never let anyone talk bad about her, even though he was younger. He Always stood up for his siblings. My heart goes out to his family in this time.
