“ Jamie, I didn't learn of your illness and passing till a couple months after it happened when Jody reached out. I'm sorry we lost touch. I carried you into your first house when they brought you home from the hospital. I appreciated you being with me when grandma passed. I always admired your strength and how you rose above any circumstance. You were the flower girl when I got married. I love you. Gone far too soon. Rest well and soar with the angels.

“ Mom,

I am so honored & blessed to have such an amazing woman to call Mom. You've always been by my side & I am forever grateful for you. You taught me how to be strong & to stand up for myself. You taught me to always be kind to people because you never know what their situations is. You taught me that family is everything.

I'm thankful for the time that I had with you, and I wish that I was able to hug you one last time, but I know in my heart that you will always be here, guiding the family and I through any obstacles life will throw at us. Now it is time for you to get some we'll deserved rest. I promise to take care of everyone. Please watch over all of us.

I hope I was able to make you proud & continue to do so. Thank you for being the perfect fan. I love you Mom! Until we meet again.

“ Jamie will be missed. Her laugh was contagious and her heart was loving. She was very loyal and she loved dancing around almost as much as she loved sports.

I love you all. May she rest in paradise.

“ Sweet Mother Dear,
I love you. Thank you for bringing me to this earth and raising us the best you could. I'd say we all turned out okay. I'll forever be thankful for the sacrifices and hard work you put into everything you did. For being an example of what hard work is, and teaching us to work for everything we have. You were THE realest. Always spoke your mind and didn't care if you made anyone cry. I need to try to be more like you lol. Thank you for your support in everything we did. I remember before all my games I would point at you and come hug you. You never missed a game, you never missed a practice, you never missed parent teacher conference, you never missed the birth of my kids. I hope to be half of the mother you are. Thank you for all the life long lessons. Your memory will forever be in our hearts and we will always keep your spirit alive. I Hope you're proud of the woman I am now, and who I am to become. I love you momma.
