Jane Anne Ghulam

1954 - 2019

Jane Anne Ghulam Was born in Rawalpindi Pakistan on 28 March, 1954. She was brought up in a Christian community with good values. She studied to become a registered nurse, because she wanted to be able to help people and ease their pain & suffering.

She was very kind and greatly sympathetic towards anyone who needed help. She regularly supported the local SDA church she was member of and also supported various ministries associated with the church helping with evangelism, education of children in other countries and community development projects.

She was very pleasant, friendly and easy to talk to. She went out of her way to talk to any new people she met. Therefore, she made numerous friends at church, in the neighborhood, people working at department stores and even at the local grocery stores. Everyone seemed to know her and liked her.

Unfortunately, later in life she suffered from various illnesses and finally, on 4 January, 2019 she lost her fight with late stages of cancer and passed away. She will be greatly missed by her spouse, family and many friends everywhere.

“ I am sorry for your loss Emmanuel, I know you will miss her, stay close to the church and our great Savior. To Jane, I will miss you so much! Our last conversation together at church meant so much to me! You looked so beautiful that day and seemed so happy -and you had Jesus in your heart- I know you will be sleeping until HE comes and wakes you up with a loud shout! How I wish now that I came to see you a few weeks ago I when asked! I will see you in our new home called Heaven, my dear sister and friend, Love Laurel
