“ Mary & Joseph, I can't even begin to comprehend the enormity of your loss. The only thing I can say is that God has a plan and there is a reason for all that He does. I find comfort in knowing that there is nothing more precious than a child in Gods eye. I know he would have been such a joy, just like his big sister. I love you all very much and I am so very sorry that I can't be there when you lay his earthly vessel to rest. Just hold onto the hope in knowing, your sweet little baby is alive with Jesus and you will see him again.

With Much Love,

Sam

“ Little one, I wish I could have held you in my arms and shown you the love I feel in my heart for you. I wish I could have held your fingers as you learned to walk, taken you to the park, watched as you touched the green grass for the first time. Instead, I will dream about all the things we could have done. Sleep sweetly, precious baby.

With all my love,
Aunt Glenna
