“ I loved when she came to Birthday party's and was aware of people around her, she was fun to visit with and listen to her past stories. What a wonderful person wish I would have known her earlier in life. Look at that smile in the picture! Tell we meet again .

“ This was an amazing woman, caring, loving, sweet, and a awesome motorcycle rider. You were in good hands when you ate with her and Eldon. Many rides through Utah, Wyoming, Colorado and all the bike ralleys for B.A.C.A. She was always smiling happy and easy going. Joyce was the first one to sign up for anything a BBQ to a night in Wendover. If you saw her you would know Eldon was not far Behind or in front they were like the two who always helped others and never gave it a thought. I know how much she loved her kids and posterity they were her life. I will miss her sweet face and cute little laugh, but I know just who she was waiting to see and he was there just like always. Bless you my friend you will be missed here by all who knew you, but what a beautiful welcome home you had on the other side. Love you know and always. Marsha and Leonard Steggell Ride with the wind

“ Nicci and Travis,
We are so sorry for the loss of your wonderful mother. She was always a delight to be around and we miss her as our neighbor. We know she is happy and reunited with Eldon. She loves her family and friends but you all will see each other again some day. Our thoughts and prayers are with you all. Rusty and Marcia Schweppe.
