

Judy Lynn Gilmore Hanson

May 13, 1951 - January 22, 2021

On January 22, 2021 we lost our dear friend, sister, grandmother, great-grandmother, and loving mother. Judy Lynn Gilmore Hanson was born May 13, 1951 to Roscoe and Rae Lynn Gilmore. During her life she was a friend to all. Her home was always open to anyone needing a meal, a laugh, shelter, conversation, or comforting. Although she had many trials of her own, her kind heart helped numerous people who were seeking advice and hope during their trials. Her laugh was contagious and her humor addicting. Judy loved sports of all kind. She could often be found attending one of her son's games or watching a JAZZ game. She was a huge college basketball fan and rarely left her house during the NCAA March Madness. She leaves behind four of her five sons, the pride and joy of her life, Lance (Marni) Schaub, Paul Hanson, Ryan (Karen) Hanson, and Todd Hanson, and a daughter in law, Jennifer (Mike) Dickson. She also leaves behind 20 grandchildren, 5 great grandchildren, and more broken hearts than we can count. She was preceded in death by her son Gregg Schaub, her loving and devoted husband Terry Hanson, and brother-in-law Steve Hanson. Although we are grateful, she is free from her pain, she will be missed by all.

“ Judy always made me feel like part of the family. I remember when my sister Juli and I visited in Tennessee one summer, she basically adopted us, spent time with us, and even took us to girls camp with her. She was so much fun to be around and her laugh was contagious. I remember missing her when we went home. I feel very lucky to have known her. Love to you all.

“ I love Judy! When my daughter Jennifer married Graig and then quickly the newly married moved to Tennessee we Greggs family,, I knew how dearly that I would miss her! With keeping in touch with her and Judy I felt a little jealous of how Judy was being a sweet mother to my Jennifer! But, I also felt very happy that such a wonderful Judy was taking loving care and being a friend to my sweet daughter! Then she was a sweet grand mother to my grand children! I'm so grateful to her! Whenever we traveled to visit Jennifer and Gregg we were always invited to Judy and Terry's home. They were always welcoming and I enjoyed always being with them ! Judy was fun to be around!
