Our beloved Judy K Jimenez, loving wife, mother, sister, daughter, nanny, grandma, great-grandma and friend passed away peacefully in the arms of her loving husband and surrounded by her children on January 2, 2022. She was born in Salt Lake City, Utah to Leo and Betty Peterson on June 12, 1953. She was the middle child of two sisters Betty Jean Fox and Terry Molloy (Larry). She married her husband, Herb Jimenez on March 14, 1974.

She lived a beautiful life, surrounded by her loved ones daily. She took great pride in being a wife, mother and grandmother which she did so gracefully and effortlessly. She stayed home to raise her children and spent much of her adult life babysitting her grandchildren, great-grandchildren and many others. She thoroughly enjoyed the company of her family and friends and was constantly doing for others. Anyone she met immediately became family and her door was always open to anyone who needed it. She put everyone above herself and expected nothing in return. She was the center of her entire family. She was a beautiful light in this world, loved dearly by all who knew her. She was beautiful, courageous, hard working, loving, pure and selfless. She always had a smile on her face and never failed to put one on the faces of those around her. Her arms felt like home to so many and she will be deeply missed.

Services will be held Saturday, January 15th, 11 am - 12:30 pm at the Bennion 6th ward church located at 5775 S 2700 W Taylorsville, UT 84129.

“ Judy raised my grandchildren before and after school. Whenever I went to pick them up, her house was full of kids and adults. I'll never forget how kind she was to me personally, for the 20 years I've known her. Take heart kids, Judy is with the LORD !

“ Judy has been my friend, sister-in Christ, and angel for the last 39 years. I look forward to spending eternity with our Lord knowing Judy will be there. One day after work, before going home I stopped to have cup of coffee with Judy at her home. Once settled she told me how a little elderly lady had come to her door that day. The sweet lady said she had taken the bus that day for the first time and was returning home, but accidentally got off at the wrong stop. She walked past 2 other houses and decided to knock on Judy's door for assistance. Judy brought her in, sat her down, got her something to drink and called her family. She told them to give her the address and she would bring her home. Judy was excited about the day she had, how sweet and friendly this lady had been. See...that was Judy. She didn't see this as a disruption in her day but a gift and a delight. God says be good to everyone for we never know when we might be talking to, serving or helping one of His angels. I shall miss her greatly.

“ Judy was the best sister more like a Angel. I couldn't have asked for a better sister. She was always there for me, as well as anyone she knew. Judy helped raise many kids. That was just Judy. She was the most giving person ever. I was so happy god chose me to be her little sister. She always had my back from protecting me from the bully's at school. They would say that's Judy's sister better leave her alone. She was always there for anyone who needed someone to talk or a hug. Judy I love and miss you every day.
