“ *My condolence and prayers for comfort to the Family, Friends and all who were touched by Judy. Words cannot express the charity and love she conveyed just by knowing her. The memories of her are somewhat sad and yet elicit feelings of thankfulness for having been blessed with the honor of knowing her. There are no words to describe that Charity she radiated to all she touched. Life was made much more beautiful for having known Judy Jessen Reisbeck.*

“ *Dixon, I was sorry to hear about Judy's passing. We have been friends since the late 70's when your office was next to the newspaper's on Main Street. She was always pleasant and we enjoyed talking and doing business with you.*

“ Dixon,

I am sorry to hear of Judy's passing. She was a true friend to me and Nedra. I've got many memories of being with you two. I am sorry I cannot be there with you as you were with me when Nedra passed away.

Darlene found me in NYC where I was vacationing with my son and now I'm back in Gettysburg, PA for a while.

I'll call you when I get back and we'll go to dinner and talk. Good luck and God bless you.

“ September 7, 2017

What a loss, for Dixon, Judy's whole family--and mine too. Judy was always always always a pleasure to talk with and be around. She downplayed questions and concerns about herself and rather asked about me and my family. Oh, that we all could be more like her! I know Pat has given you a big welcome home hug Judy! But I will miss you--and your homemade pies.

“ *My heart is broken that this dear sweet friend, neighbor, Relief Society sister and beloved confidant has now gained her official angel wings.*

Judy was the perfect example of unconditional love and always showed it to those who needed it the most.

I will always cherish our telephone conversations about the joys and difficulties of Visiting Teaching. She always cheered me on to be a better Visiting Teacher and we always ended our conversations with a laugh.

We were able to have a great conversation just last week. She has just a week out from having a total hip replacement and she was at WORK! She said she was doing great but just couldn't bare to stay at home and listen to all the sadness the people in Houston were experiencing because of hurricane Harvey. What a wonderful tender heart she had.

Love to all her dear family please know that Chad and I have you in our thoughts and prayers.

*Much Love,
Chad and Betty Jo Mortensen*

“ *I am incredibly saddened by this news and the Reisbeck family has been on my mind and in my heart ever since. A dear family friend from as long as I can remember. Judy was always so kind and sincere. I can hear her voice even now. As an adult I've had the opportunity to speak with Judy regarding insurance but without a doubt we would always chat a bit about how my family was doing and hers. She was always so sweet to ask and care. She will be missed greatly but it brings me peace to think of my mom greeting her in heaven with a giant hug and showing her around. You will all be in my thoughts and prayers.*

“ Dixon and Family, I was so shocked to see Judy's obit in today's paper, She was always so sweet to me at the insurance office. She was good at remembering my name and would ask about my husband, etc. I will miss her when i come in to pay. My sympathies and condolences to you. She was two years younger than I am and that is way too young. Sincerely, Beth Slade Reid

“ Saddened to hear of Judy's passing. I remember fun summers Altonah when we were younger. She was kind enough to send a letter and photos to a young, homesick, Marine in boot camp in 1959. My condolences to all her family. She will be missed.
