During her marriage to Stephen, they spent time traveling all over the world including China, Switzerland, Alaska and Hawaii. In 2002, one of the highlights of their marriage was when they had the opportunity to participate in the Hill Cumorah Pageant, in Palmyra New York. They loved their time there together. They learned to serve and love while growing in faith in the Lord Jesus Christ.

“ Dear Family,

Can and I were best friends in elementary. We were very close. We both loved sports, and pretty much played a sport all of the time. We attended Liberty Elementary and then we ended up going to different Jr. Highs. Kay I have never forgotten your beautiful and kind smile. Prayers to your family . . . I know your passing will be a great loss to them, but your mom has opened up her arms wide to greet you.

“ I'm so lucky to have been Kay's friend. We weathered the storms at the newspaper where we worked, and kept each other sane. We had some great times with our kids. It was good to see all the Flinks at the funeral today. It was a beautiful service. Kathy D.

“ I am sorry for your loss. I have fond memories of Kay as she started a business in her garage - I was one of her first employees. It was a long time ago, but I feel like she was out there with me laughing, often. She will be missed.
