

Kenneth Britt Eddards

November 20, 1960 - February 1, 2019

Kenneth Britt Eddards passed away in his home February 1, 2019 after a three year battle with metastatic kidney cancer. He was born November 2, 1960 in Ogden UT to Fay “Bud” and Leola Faye Hill Eddards who preceded him in death along with his siblings Leslie, Amy, Eby, Dee-Vaughan and Lila. He is survived by Vince (Joy), Byron (Selby), Joyce (Everett Maxwell) and Lisa Eddards.

He married the love of his life Mary Borgesen November 15, 1980 in Layton UT where they both grew up. They were sealed in the Jordan River Temple November 15, 1991. They have five children and four grandchildren; Tazara, Michael (Tricia, Aaron & Porter), Christopher (Lyndzie, Jaxson & Lola Taft), Kendel and Jordan (Melissa). They moved their young family to West Valley in 1990 and raised them there.

He was a hard worker his entire life. He worked at Dicks Tire & Auto, Conoco, Midas and Senske Services. He loved wrenching and helping anyone that needed it. He really knew how to fix just about everything.

Ken lived life to the fullest and always had a smile on his face. He was full of jokes and would tell them to anyone that would listen. His care team always looked forward to seeing him because even through all of his treatments and multiple surgeries he was always upbeat. We appreciate everyone that had a hand in his care over the years at both the University of Utah and Huntsman Cancer Institute!

Ken always put family first. He lived to make others happy and feel welcome. Anyone who knew Ken loved him and he will be greatly missed!

A viewing will be held Thursday night (2/7/19) from 6:30-8:30 and Friday (2/8/19) from 9:00-9:45. The funeral will begin at 10am. Both will be inside the Copper Hills Stake Center located at 6710 West 4145 South in West Valley City UT 84128

There is an account in his name at Cyprus Credit Union. The family would appreciate any

and all donations!

“ Kenneth lived across the street from me. His family were some of the best neighbors there are. We have lots of good memories with Ken and his family. Ken was always so kind and happy. I'm grateful my best friend had married such a good man. I wish we would have stayed in touch after you moved away. I know it will be but a short time before mary and Ken will be together again forever. What a sweet blessing that is. You will forever remain in our hearts Ken.

“ Ken was the love of my life. He always put me and his family first. Ken had a joke close at hand to bring a smile to your face. He always worked hard even though he said he was paid to play. Ken would help anyone he could. Ken was a morning person. Any one around him knew that for certain. Babe you will be missed but not forgotten. See you soon.

“ Kenny was one of my favorite people EVER. He always had an infectious smile, and a way of making everything alright. Every time id see him, he wanted to know if I thought he looked like Byron. Id always tell him "yes you do." He always told me I was "gorgeous". No, I think that was "YOU" Ken. We love you. I know your reunion with your family was wonderful.
