

Linda Ann Fox Hansen

September 28, 1947 - June 17, 2021

Linda Ann Fox Hansen was born on September 28, 1947 in Price, Utah. She passed away peacefully at home, surrounded by her family, on June 17, 2021 after a long struggle with Alzheimer's disease. Growing up in Orangeville, UT, Linda had a happy childhood with her sister Peggy and many lifelong friends. She married David Nelson Hansen in the Salt Lake City Temple on May 19, 1967. David and Linda had 5 children, each one believing they were her favorite child. David and Linda lived in 5 states and have many friends from Utah, Maryland, Pennsylvania, Alabama, and Michigan.

She was a faithful member of the Church of Jesus Christ of Latter-day Saints and served in many capacities using her many gifts and talents. She could sew, sing, cook and throw amazing parties. She was a talented pianist and an exceptional accompanist and she was always happy to share this gift with anyone who needed a pianist or accompanist. As a piano teacher, she taught numerous children to play piano and develop a love of music. Her legacy is a lifetime of service and love. She was a friend to all who knew her. She could always tell you a funny story from her life and had a wonderful sense of humor and was quick to laugh. Most of all, she loved being a daughter, sister, wife, mother, aunt, grandmother and great-grandmother. Words can't express the depth of our loss and how much we will miss her.

Although there were some dreams that were cut short by Alzheimer's disease, she lived her life to the fullest and she had no regrets. She was a happy, vivacious person who loved life. Early in their marriage, she and Dad had a deal that he would make the money and she would keep the family together. The greatest testament to her success was that, in the end, all her children were with her when she passed.

She is predeceased by her beloved parents, Alice Dee Bailey and Jesse Eliot Fox. She is survived by her loving husband of 54 years, David; her only sister, Peggy Lue Fox Clark (William); and her children, Rebecca Ann Hansen Stewart (Ken), Christina Hansen Golding-Jewett (Mark), Jason David Hansen (Heather), Mary Elizabeth Hansen Jones (Mickey), and Allyson Jane Hansen, 14 grandchildren and 3 great grandchildren.

“ We are family friends of Linda and David from their years in Maryland. They helped to pioneer our small Chesapeake Ward thru the different phases of building the chapel. They were enthusiastic helpers as we added the third phase using our own labor. Linda truly had a bubbly laugh that created a happy feeling where ever she went. We relied heavily on her wonderful piano talents. Full of energy and with deep testimonies of the gospel - they helped build Zion in our area. We send our love and happy thoughts to all the family. She left a wonderful legacy.

“ While Linda lived in Michigan we became good friends. We walked around the neighborhood and in the winter we walked at Oakland Mall. We also traveled together for choir concerts and practices as well as working on church activities like decorating for ward dinners or preparing them with set up and clean up responsibilities. Linda was fun to be with and always made you laugh. She was a true and loyal friend. She taught one of my sons piano. She will be greatly missed by many. Prayer of comfort are extended to David and the family. I still use her wonderful yeast roll recipe which is excellent.

“ Linda was lovely inside and out and raised children who emulated her kindness and generosity. Although I know she is at rest, my love and prayers are with those left behind.

“ Linda and I had many things in common--love of music and scrapbooking just to name two. We also had Orangeville, Utah in common. Linda was raised there and my "cousin" Barbara Peterson was her best friend. My Dad's family--the Robert Baird Logan family--lived in Orangeville many years before Linda, my granddad having left for Idaho before my Dad was born. One summer when Linda was visiting her sister, I drove to Orangeville and spent several days with her. She took me to see my Aunt Annie's daughter, Sarah Robertson and her daughter Barbara. What a treat that was. Barbara gave me a photo of my Grandfather Logan as a young man---a photo even my Dad hadn't seen. We went to the Castle Valley parent, toured the area and had a blast. One day we decided to see if we could find the Logan "homestead". She and Barbara had played there as children. We found the general area but to get closer we had to get around a barbed wire fence and go through a cow pasture. Linda held the wire apart for me to get through the fence and I held it for her. There was no real evidence that we were in the spot where the house had been but Linda assured me we were close. I have such fond memories of that trip and the time I spent with my wonderful friend.
