“ Love You Mom With All My Heart! My Mom was a very strong woman. Raised us mostly on her own. My father, her husband Clive died when I was 11 years old & I was the oldest child. She loved us, her children with all her heart. She loved her cats, chipmunks and dogs. Mom was a excellent cook and made a lot of homemade meals for us. She loved to garden and can fruit. Miss You Mom So Much. You are now with daddy. Love My Ma Ma!

“ Grandma, you will be missed dearly! I am sorry I was unable to attend the services but I am there in spirit. My heart is full of great lasting memories of times spent with you as a little girl. I loved it when you would take Cara and I to Pic-n-Save to get a toy or treat! We had fun playing in your back yard and waiting for the trains to come by. I remember being afraid to go into your basement, and your cat Misty was usually at the base of the stairs with her glowing eyes...  
The last few times I was able to spend with you as an adult I will cherish. I am grateful my children were able to meet you and we have many photos to look back at.  
All my love, Lisa.

“ I will miss you dearly Grandma, and can't express how much I love you. I have so many great memories of my early childhood with you taking care of Lisa and I, including homemade day suckers :), walks around the neighborhood, playing with your cats, and going shopping.  
I wish that I had got to spend more time with you over the last several years, but always enjoyed our phone conversations. It helps me to get through this difficult time to know that you are going to be reunited with your loving husband. I LOVE YOU!!!
