“ Oh, my gosh, I am so sorry for Lonny's passing. I just found out, and I feel terrible about that, as I am Lonny's and Lisa's downstairs neighbor. You guys have been the best neighbors since I moved in 8 years ago, or however long it's been. I have appreciated your friendship so much. Lisa, please feel free to email me or stop by if you need anything or just to keep in touch. You can find my address on the Grovecrest Elementary website, click on faculty and then fourth grade. I will always consider you guys to be my friends, and I'll never forget Lonny.

“ Lisa, I just heard that Lonny has passed away (we are serving another mission - Craig Whitemore sent an email). My heart aches for you and all of Lonny's family. He was a wonderful employee and friend. Always fun to be around, a hard worker and very supportive. Your testimony or God's Plan for His children will carry you through the lonely hours. Cherish the memories and pray constantly for companionship with the Holy Ghost. May God bless you everyday in every conceivable way. Boyd & Marsha Fullmer

“ Steve and I remember your family well (from the Payson days, long ago) and express our love and sympathy. I remember holding Lonny's backpack as he played before the bus came one day. I forgot I had it and he forgot to come claim it and the bus came and went. Kathleen sweetly drove the backpack to the school. Steve and I express our love, prayers, and sympathy. I had a very close call with cancer about twenty years ago. Steve's mother died of it. It's far too widespread in the world. You're wonderful people.

“ My dear friend, Lonny. I dreaded knowing this day would come. I will miss our fun times going to concerts, plays and eating out. He attended all of my kids baptisms and always remembered my birthday with a card and a gift. He was the most loving, giving, selfless person I've ever had the pleasure of knowing.
