

Louise Crandall Huefner

February 25, 1930 - December 22, 2019

Louise Crandall Huefner, 89, returned to the loving arms of her Heavenly Father, surrounded by her children on Sunday, December 22, 2019.

Jean Louise Crandall was born February 25, 1930, in Salt Lake City, Utah, to Spicer Lewis and Jean Hughes Crandall. She was the second child of two and was loved dearly. She loved visiting with extended family, especially her maternal grandmother who taught her about birds, flowers, and song. She graduated from BYU in Elementary Education. She married John Smith Huefner, later divorced. They had seven children: Jonathan (Kim), Rebecca (Matt) Chapman, William (Jami), Joseph (Rose), Catherine (Michael) LaPorte, Howard, and Andrew.

She loved traveling, claiming to have been to 32 countries; gardening; cooking/baking, many times using no recipe; family, immediate and extended; ancestors; painting, watercolor being her favorite; teaching, whether at the school or in the Church; reading; and a good laugh.

Preceded in death by her son, Andrew, and her parents. Besides her six children, she is survived by 30 grandchildren and 18 great-grandchildren (and it is only the beginning, the oldest being 6).

We want to thank the staff at Beehive Homes of West Jordan for all their patience and love as they cared for our mother.

A viewing will be held on Friday, December 27 from 6:00-8:00pm, at Premier Funeral Service, 67 E. 8000 South, Midvale, UT, 84047. Funeral will be Saturday, December 28 at 11:00am, at the Church of Jesus Christ of Latter-day Saints, 8825 S. 3200 West, West Jordan, UT, 84088. There will also be a viewing before the funeral from 9:30-10:30am. Interment will be at the Larkin Sunset Lawn Cemetery.

“ Louise was a natural teacher. She taught me in Primary and Sunday School. As a teacher, I often drew from Louise's example of treating each student as an individual-ensuring they each felt important and loved.

At girl's camp, she was an example of capable confidence. She made camp tasks fun-we didn't know we were learning! I still remember the Biffy Queen contest, probably because I won. The contest consisted of us girls running through camp shouting "I'm the Queen of the Biffy!" As loud as we could. Whoever won didn't have to clean the outhouses.

Yes, I was the loudest.

As a single mom, I drew strength from Louise's example. I knew I could do it because Louise did it. She did it with class, style, humor and love.

Like Louise, I lost a son too soon. Again, I knew I could get through it. Louise did. So grateful for Louise's dear friendship with my mother and for the great influence she was in my life.

My love to you Huefner kids:

Jon-Jon, Becky, Bill, Joey, Cathy, Howie and Andrew
