“ I've spent the past 25 years with Lynda as my best friend, partner-in-crime, girlfriend, and dart player I could have asked for. We had so many good times and a couple not so good.

“ Mama,  
I am so sorry!! So so sorry! I know we havent had the best relationship the last couple of years. But you have to know that I have NEVER stopped loving you! You will always be my Lynda Poo. Over the last few days I have seen so many memories that other people have shared with me and I cant help but hurt a little inside every time. I should have been there! I know in my heart that you are a peace now. You can finally relax mama. I know youre up in Heaven reunited with Grandma and I couldnt be happier for you. On Christmas day I watched you as you helped the kids with their presents. You're beautiful Mom. Both inside and out! I love you! I dont know how I will ever get through this. But I will do my best to make you proud. You have touched so many lives in so many different ways! Rest in Peace Poo! I love You!

“ Once you met Lynda, your life was never the same. Lynda filled your life with laughter, and a moment in time with her you never forget, how many people do you know you can say that about. always ready for an in venture , , Lynda showed me some of the best times of my life, , I don't know if she could forgive me for some of the things I said to her on our last day we seen each other, She did not deserve it, I'm sorry! I am grateful for all the many life lessons Lynda taught me, and not always in a nice way, And most of all I'm going to miss when she see's you and says Hi Honey? Just something about that, , I'm very grateful for having Lynda in my life, And you have to love her for all the photos she saved though the years of all of us, That was so cool of her to take the time out for everyone of us. You will be missed She was someone very special for sure!

Love

Always, Wendy Johnson
