

Lynda June McKendrick Bettger

June 14, 1942 - November 10, 2021

Lynda June McKendrick Bettger

Our hearts are breaking to have to tell you our mom has passed away on November 10, 2021 in S.L.C. at the age of 79. She was born to Lubern McKendrick and Thelma Wright McKendrick on June 14th, 1942 (Flag Day). She grew up in Chesterfield, Utah (now West Valley City). In a cute little house her dad built. She had a wonderful childhood surrounded by many Aunts, Uncles, cousins, and friends. She still had get togethers with three of her childhood friends. Lynda graduated from Granger High School in 1960. She went onto attend Cosmetology School.

Lynda met our future dad at the corner gas station where he worked (Co-op Service). She married Gerald Dee Bettger on Friday the 13th of July, 1962. After marriage they moved to Bountiful and eventually settled in West Bountiful. She worked at the Co-op Service Station in Bountiful that our dad managed until it was sold to Cenex where she managed it until their closing. For the next 30 years she worked for K-Mart in Woods Cross until its closing. She met and made many wonderful friends that she kept in touch with.

Lynda was the most unselfish person you could ever meet! She always made sure her family had everything they needed even if she had to go without!

Her favorite thing to do was spend time with her family whether it was a barbeque or going camping. Her favorite place to go was Yellowstone; she loved buffalos. The family spent the summers traveling and fishing the Western United States in the Camper.

She was proud to carry on the tradition of organizing the Wright Family Reunion every year. She looked forward to spending time with family she didn't see often.

Mom loved flowers, especially daffodils. She loved clowns and collected giraffes, nutcrackers, Thomas Kinkade, spoons, and Native American items. Her hobbies were making quilts, crocheting, sewing, and making crafts. She absolutely loved to go to PowWows! Loves also included country music, Elvis, and Conway Twitty! She loved

Conway Twitty so much she missed her cousins wedding because she had seen and followed his tour bus just so she could meet him, and she did at Denny's in Salt Lake.

Lynda leaves behind her 2 daughters, Tanya Bettger Linck and Teri Bettger, grandchildren Keira Linck (Jared Fullmer), Dillon Linck (Sarah), great grandsons Daxton Pierce and Maverick Linck, and two bonus ones Jenna Fullmer and Ricky Fullmer. Preceded in death by her husband, parents, 2 sisters, and a son-in-law.

Funeral services will be held at a later date. Funeral Director is Premiere Funeral Services.

In lieu of flowers a please contact Premier Funeral Services to help with funeral expenses.

“ Lynda was my Aunt but because she was only three years older than me, I called her Lynne and named my first child in her honor. We were close growing up but life happened and we only seen each other at family functions. When her husband Gerald got sick we talked on the phone more often and this lasted up until she passed. R.I.P. Aunt Lynda until we meet again. Love You.

“ I have many memories, as a young child. Lynda was always so kind and nurturing to me. They moved in to an apartment adjacent to my young childhood home on Main Street in Bountiful. I remember my first hockey game was introduced to be by that family, the golden eagles in the Salt Palace. They made me feel like family. I spent many happy summer days in their home and playing near the creek that ran in the back of their house, located on 3rd North in Bountiful. Lynda was always so upbeat and happy to see me. She made me feel special and loved. I will miss her.

“ I worked with Lynda many years ago at Kmart, she was one of the sweetest people I have met. It's sad how life changes our paths and we go our separate ways but she will always remain part of my Kmart family.
Rest In Paradise my friend.

“ Lynda and i met 35 years ago when we both went to work for Kmart and have remained good friends ever since. We did a lot of fun things together. We used to love to go to the,Parade of homes and see all the beautiful new homes when they had them. Going to lunch and dinner was fun. To many things to tell. She was my good friend and i will miss her. Rest in peace Lynda.
