Comments

“ Dear Kay and family,
We did not know dear Marian for very long, but could tell that she was the guiding force in your life. She was so friendly to us when we came to visit and shared you enthusiasm and optimism for life and precious time together.

Lee and I have an appointment in Salt Lake on Wednesday morning that Lee made three months ago and cannot change. Unfortunately, we will be unable to attend the viewing and service. Our thoughts and prayers are with you as they have been for the past weeks. Rejoice in the great Plan of Salvation and your knowledge that Marian has simply gone before. While she makes a place for you both, she also awaits a time when you will be together again.

We will continue to visit you in your home and in the Quail Ridge Branch.

Our Love,

Lee & DyAnn Smoot
