MARIE GREENE JEX

“Mimi”

Our beloved Mom, Mimi, sister, aunt and friend passed away peacefully in her home Christmas morning after a courageous battle with breast cancer.

Marie was uncommonly selfless. She was always finding ways to serve and show love and kindness to those around her. She was a patient and attentive listener whose sincerity was unmatched. She was the epitome of a loving mom to her two kids, and excelled in the art of being the most outstanding Mimi to her four grandkids. They were the light of her life and she made sure that they, and everyone else, knew it. As an adult, Marie worked tirelessly to graduate from the University of Utah with a degree in Psychology. She worked for many years in the Granite School District where she made many deep and lifelong friendships. After retirement, she found a great love in volunteering within the ESL program at Granite Park Jr High. She found joy in the goodness and humility of the refugee children she served. Marie is quite simply irreplaceable, and will be deeply missed by all who were fortunate enough to know and love her.

In Lieu of flowers and in keeping with the spirit of Marie's e, please donate to the American Cancer Society or your favorite charity.

“ Bruce and Letty, although we are cousins, we have not been close over the years. I'm sorry to learn of Mary Marie's passing; she was obviously beloved and a dear friend to many. I remember seeing you all at your mom's funeral and wishing that we'd been closer. The Hurst side of the family has never been very closely knitted together, unfortunately. Best wishes and deep condolences for the loss of your sister, mom and friend. I fondly remember your visits to Grandma Hurst, and have always loved and cherished your parents, Bill and Naomi. ~Mark Hurst

“ Dear Family, Frank and I are so blessed to have met Marie through her sister Letty. You are right about her laugh. Letty and Marie have a great laugh. When they were on their game, you knew you were in for an unforgettable, great time. You all have such a beautiful family. God bless you all at this very difficult time. Frank and Michelle Jones

“ I'm so sorry to hear of the passing of such a dear friend. We formed a friendship and became close while working together at Olympus High School. Although, we lost touch in recent years, I've thought of her often and have always cherished her friendship. She was a very beautiful person both inside and out. Love you forever, Anita!

“ Marie had such a quick, wonderful wit. We would laugh uncontrollably in her Olympus High school office. She was so sincere, kind and funny...one in a million. She will be missed.,
