

MaryAnn Earl

May 13, 1940 - January 22, 2022

MaryAnn Earl, 81, of Springville, Utah passed away on the 22nd of January 2022. She was born to parents Edward and Zola McFadden, on May 13, 1940 in Provo, Utah.

MaryAnn married John Richins and together they had 5 wonderful sons. They were later divorced and she met the love of her life Jim Earl. Together they lived a wonderful life.

MaryAnn worked for Stouffers for 30 years where she made many lifelong friends that she cherished deeply. To MaryAnn her friends were also her family. You all were very special to her.

MaryAnn loved to be surrounded by her friends and family, her door was always open to all who needed a friend. Thanksgiving was often a celebration that included any holiday “orphan” that did not have a family to share it with. You never left her house hungry.

If you’ve ever played a game with MaryAnn you know she was a vibrant spirit with a competitive streak a mile wide; family water fights were a frequent occurrence both outside and inside the house! If MaryAnn was not at home, she would most likely be shopping. She truly loved the hunt for a bargain and the trunk of her car could prove that. She loved animals, and never met a dog, cat or horse that she didn’t love and would love her right back.

She was full of life and love and she will be missed by all who had the privilege to know her.

MaryAnn is survived by her children Scot, Shawn (Wendy), Brad, Cory (Ed), her 10 grandchildren and 7 great grandchildren. She is preceded in death by her parents Edward and Zola, her husband Jim, and her son Brandon. We know they had a beautiful reunion and find comfort knowing she is with so many loved ones.

In lieu of traditional services, a celebration of her life will be held in March. At that time a graveside service will also be held at the Provo City Cemetery. If you wish to honor

Maryann, kiss a baby, plant some flowers, adopt an animal, go shopping with a friend or hug someone very tightly. Pay forward the love that MaryAnn gave you!

Please feel free to leave your favorite memory or story. We would love to share these with everyone. Condolences can be sent to the family at www.premierfuneral.com

“ Tory, Jay, and Loa

I was just wanting to send my condolences and deepest sympathy to a family that has treated me like one of their own. Tory is my best friend and has made me a better man. He is always there for me and inspires me to be better each day in many different facets of life. The love that Tory shows to each human being everyday literally is contagious and you can see that a lot of that energy comes from what Grandma taught him. Tory is always expressing his love, respect, and care for Maryann it is beautiful.

Jay is the most giving person I know you can see Grandma in him as well. He has given me some of the most special items that I own. He makes me feel loved and that I am appreciated. I am so grateful for Jay. He is a hard worker and pushes Tory to be better. He is like the brother I never had.

Loa, thank you for being a beautiful niece to me. Thank you for always making Christmas and other holidays special for me. It means the world. Your Dad and Uncle Tory have done a great job with you. I love how they instilled in you to be happy and treat others how you would want to be treated. You are growing up so fast I can't believe it. You have the best Dad and Uncle.

I want you three to know that I love you and I am always here for you. Your Grandma is not in pain, and she is on the other side having the time of her life. She is watching over your family, and she will live on in your hearts. I know that she loves you all and is very proud of all three of you.

Love,
Brother/Uncle

“ *Maryann made life bearable for me, as a young, long haired, Catholic boy, who was ostracized, and shunned by most others in Provo in the 1970's. My second mom! Maryann always had the time to listen to my troubles, and my joys. My first friends in Utah...the Richins. Weekends at Mom McFaddens Pie shop were the best. Maryann will always be the Strawberry creme pie lady. I love you Maryann.*

“ Grandma was so excited to meet Dax, every time she'd call jayden she'd ask how he was doing and when we were coming down so she could snuggle him. When she finally got to snuggle him she loved every second of it and kept saying how much we needed to come down for a taco Tuesday. We love you grandma. Rest in paradise.
