“ Dear Dawn, I am truly sorry for your loss. Michael was a great person...kind, considerate and caring. I don't know if you remember me, I was his asst. principal at WLJH. I came to your house a few times to look at your birds. He even gave me his bearded dragons. I have always remembered him. Please let me know if I can help you in any way. with love, Michele Callahan

“ Mike, I can't believe you are gone. When you weren' with your mom, you spent so many happy hours with us.Yes, you had your bad days, but since the accident you were upbeat, at peace funny and your old self. We don't know what took you from us, but know that you will never be forgotten, always loved and forever missed.Your grandfather I am sure met you and will take good care of you. John and I love and missed you so terribly. (who will call John "Princess" now?) Watch over us and especially your mom, there is no consoling her. Love you always Laura
