Michael, (known by his friends as Mike, but always Michael to his family) was loved by many. He was most proud of his beautiful and handsome children, Ehlana, Talen, and their sister Amarah. “ Me and Mike worked together at Denny's for over a year. He liked the darn stuffed animal machine and would win them for us his co workers when we were really set on a favorite one!! We worked long shifts more than 4 days a week so sometimes we would butt heads . but I will really miss him! I wish I could attend the services but my manager will not allow me the day off to do so. I send my prayers and love with others!! He has regular customers at Denny's who also miss him very dearly!
