

Misty Ann Aragon

January 12, 1979 - November 18, 2018

In the year of our Lord 1979, on January 12th, Misty Ann Aragon was born here in Salt Lake City, Utah. Misty returned to our Lord in the year 2018 of November 18th.

She is preceded in death by her father Seferino Efren Aragon and her mother Cathy Ann Compas Aragon.

Misty left behind a husband of 3 years, John Beard. They did not have any children. Misty and John considered their stuffed animals to be their kids. They are Ash, Berry, Blush, Zing Zing, Bear, Juliet, Oscar, Penelope, Denny, Kendra, Tiger and Stripes, just to name a few of the kids they had together.

Misty said John was her SUPERMAN. John did everything he could for her physically and emotionally, which made her happy.

John would say Misty was the most wonderful woman ever.

When it came down to it, Misty thought of everyone before herself even gave of herself when they did her wrong; Misty would still help.

Misty left behind a sister, Shawnte Schultz and cousins who will be dearly missed and loved. She also left behind Elizabeth Faudoa, Shaun Nielson, Mike Nelson and most of all Uncle Boat Man.

Misty had friends that were more family than her real Family. They include, Lesley and Garry Wellicsh and the Wellicsh family.

Wish I could but can't forget Misty's real half family, including Misty's first half-sister, Tina; Tina's son Codi; Misty's aunt Bobbie Joe; her great-niece Anna; great nephew Chungle; Misty's second half-sister Sherry and husband Alan.

May God bless Misty.

May Misty also enjoy the ability to walk, run and do all the things she was not capable of doing here on Earth. May she be able to do all the things she loves in Heaven.

“ Misty-bear,
All I can do now is ask for your forgiveness. I promised you a long time ago that I would always be there for you no matter what. After your father passed I lost track of you. Please forgive me princess for not being there for you when you needed me the most.
I'll never forget our time we spent in the rings on Saturdays, nor the smothered burrito's after. You gave me a piece of your spirit and for that I'll always hold you dear to all of the pieces of my broken heart.
I'll burn some tobacco at sunset to let the smoke carry to you how much you are loved and what you truly meant to me.
I remember the days you found out you had M.S. you cried with us because you thought your fighting days were over. But I remember what you asked me that day, and I remember what I told you even more. A month later you were back in the ring with your sparring gear on and we went at it. I promised you I would never give up on you if you wouldn't quit on yourself. No matter what you geared up and we fought. Sensei Tui gave me a black belt after all those years because he believed in me, just like I believe in you. He told me to push you to make you better and that my dear beautiful Misty, I did.
We will see each other soon enough. Get the dojo ready and practice your kicks because the rest of your U.S. Black Belt Academy family will joining you.
When I see you next we'll both be whole...so be ready because it's coming.

With all my love to your mother and father for giving us you to love. Sweet Dreams Princess.
