It is with great sadness that we announce the passing of our beloved mom Nancy Ann Everett Butters, in the early morning hours of Friday October 28th, 2011.

Daughter, Naneki Pela and husband Tevita and their four kids Jale, Talei, Joeli and Manasa. And daughter Noelani Sedillo and her son Isaia. Also survived by older brother Leroy E. Everett II and his wife Susan and their two sons Randy and Chad Everett.

Mom built a strong and loving family. John has five children, oldest being Joseph Butters and wife Terry and their five kids, John, Tommy, Mark, Sarah and Tarrah. Daughter, Jeannee Taylor and husband John Taylor. Son, Joel Butters and wife Liz and their two sons Patrick Butters and wife Adrienne and two kids Gavin and John. And Jeffrey Butters and wife Jennifer and two daughters Mackenzie and Audrey. Son, Josh Butters and wife Debbie and their three kids Jordan, Jessica and Jennifer. And son Jody Butters. Mom was also blessed with a son Auono Laumua and wife Lani and their four kids Cierra, Amelia, Dre and SoiMavi.

Mom was born January 20th, 1951 in Salt Lake City, Utah, to Leroy E. Everett and Dorothy Petersen Everett. She graduated from Cyprus High School 1969. She then went on to Dixie Jr. College in St. George, Utah and graduated 1972. She also studied one year at Southern Utah University before getting married and starting a family.

Mom's greatest joy in life was her beautiful grandchildren and great grandchildren. She was without a doubt their biggest fan. Always making a point to be at all school and sporting activities. Mom was a woman of many talents, from cooking to sewing, ceramics and gardening. She could take any dead plant and in a matter of weeks she would have it looking beautiful. She had a gift for making everything fun. She would turn ordinary throw away items into fun, exciting things. Growing up all our friends quickly became family and never hesitated to turn to mom because she was always there with a smile and a hug that would simply melt away any burden. Mom's door was always open taking in many as her own. She never complained how hard she worked or however many mouths she had to feed. All she ever wanted was for everyone to feel loved and important. Her love was

unconditional which is the reason everyone knew her as just "Mom".

Mom was diagnosed on September 1st, 2011 with Cancer. She received two treatments of Chemo and with no success her Dr's released her to hospice care on October 14th, 2011. She fought all the way through till the last seconds of her life. We couldn't be more proud to say Nancy Ann Butters was our mom. Mom was our only constant. She was always there smiling through tears because everything in life overflowed her heart with happiness!! She was always the first we called in good and bad times. Mom you will be greatly missed. Your love and compassion has strengthened our souls. It is our honor to have you as our mom and its our privilege to pass on your love and compassion to all we come in contact with.

Our families would like to express our sincerest appreciation to all family, friends and medical staff. We are eternally grateful for all friends and families prayers and visits in these last few months. We would like to give a special thanks to Home Depot and Hospice for going above and beyond anything we could have ever asked for.

“ You will be greatly missed my friend. You were one of the few angels on earth and I am truly blessed to have known you. I will really miss our conversations and laughing with you about all of the silly little things that made my day brighter when I worked with you. I love you Nancy and I hope to see you again one day...

“ I want you to know how wonderful your Mother was to have as a friend. She was always so cheerful and kind to everyone. We grew up together and then you guys grew up with my girls(I thought that was great). I feel so bad that she had to leave so soon but, I know that she loved you and will be there for you when you need her. Cherish your memories of her and let them help you through the hard times. I'll see you on the otherside my sweet friend, Love, Jackie

“ I will always remember Nancy as my beautiful, smiling, soft-spoken sister-in-law who wore her heart on her sleeve. She will be missed and I will always thank her for blessing me with a handsome nephew and 2 beautiful nieces. I remember her taking care of me and laying my head on her lap when I was a kid and had an earache. She is a beautiful soul who will be missed but I can't wait to see her again someday! Love you Nancy and love you Kale, Niki, Lani and ohana.
