“ Lynn was my very best friend and shared a lot of memories of the good old days! We knew each other from Junior High school in Auburn, Washington. We did so much together in our younger years. We had dreams as a teenager of getting dream jobs and moving into a penthouse apartment in downtown Seattle 😎❤️ Of course life took a different turn after graduation as marriage and family took priority. We still stayed in contact and did texts, phone calls and Christmas Cards! I loved her like she was my sister. I will miss you my sweetest, dearest friend 🥰
