Raeann Louise Venegas (Sanchez)

June 16, 1978 – August 3, 2017

At 8 pm on August 3, Raeann Louise Venegas (Sanchez) lost her courageous fight with brain cancer. Raeann grew up in the Clearfield area where she was raised by her mother, Barbara, and Arnold Sanchez, the only father she had really known growing up. So deep a connection she had with Arnold, she took his last name for many years. She attended Doxey Elementary and North Davis Junior High. When her mother married to her step-father Michael, she and the family moved to Fort Walton Beach, Florida in 1992. After several years of having a relationship with Michael, they too developed a loving and familial bond. In Florida, she had her 2 beloved children and became a dental hygienist to support herself and her family. At the age of 31, she and her family moved back to Utah living in the Layton and Ogden areas.

She is survived by her two daughters, Monica Scott and Amara Venegas, her mother and step-father, Barbara and Michael Wiley, and her sister Erin Sanchez.

A memorial gathering will be held Monday, August 7, 2017 from 6-8 pm at 714 W 2050 N, Clinton, UT, 84015.

“ I want to send my condolences to the family. She and I attended Fort Walton Beach High School together, she was always so sweet to me and even after graduation when I would see her she always had kind words and a beautiful smile. Rest Well Sweet Angel no more pain.

“ Raeanne was a woman of strength, love, and encouragement. A smile, that made even the sun itself, jealous, cause she lit up the room. A very loyal friend. Always so sweet, and peaceful. I love her more of sisterly than a friend. We grew up together, and she always gave me advice on situations, I couldn't figure out myself. Worked very hard. And achieved so much. Even more, she loved her girls, with her every existence. They were her life! Such an amazing mother. I hope God blesses me, when it's my time, to see you again. This is a tremendous loss, but an ever larger honor to be blessed to have known her. Rest now my Sister, no more pain. Me and my family cannot attend the funeral, but please know, our hearts are with all of you in Utah. Girls, I love you, Monica, Amari, you are some wonderfully amazing young ladies. I wish I could say it gets better, but truth is, you just learn to accept God's decision. Our family sends our deepest condolences, although this is a hard pill to swallow, Raeanne, baby, you are in a better place
