“ My mom was at Highland with Randy and he was such a good friend, always watching out for her and standing up for her. We loved him like family and he will be sorely missed by many! He always loved when we brought him a Big Hunk candy bar and played card with him. He was a light at Highland and loved everyone.

“ Well brother, you're the last brother to go. But I remember when you had came to my little trailer to watch the cowboys game you were so excited as you jumped up you landed in the chair and broke it. That was a fun day. It saddens me that you're gone. I know you will be greatly missed and you are truly loved. REST IN PARADISE BRO. I LOVE YOU.
