“ I have the pleasure of working with Randy to improve his health over the last few years. He was the sweetest and most appreciative of those that I helped. He always had a smile on his face. He will be missed.

“ There are so many memories I have of my younger brother. He was always fun to be around. He was always quoting movie line right at the appropriate time. It kept us all laughing. He Love to thrash dance. Craziest dance moves ever. You think he would have been spoiled being the only boy of 5 sisters. But he was not we tortured him. Maybe that is why he had such huge heart. I will miss hearing him say no matter go there you are. ( Blue Brothers). I know you at peace my friend my brother and you will always be in my heart.

“ He was my Dad. He chose to be, which makes him a better man than most. He taught me so much. I can't put into words what a wonderful person he was. He took care of my mom for years and he had such a big heart, even if he was a little rough on the outside. He loved music, NASCAR, frisbee golf, darts, movies and collecting.

When I was little he would go on long bike rides with me. He always had good stories to tell about all sorts of stuff. Most of all though, he was an amazing grandpa to my kids. We will miss him always.
