Rebecca Lin Jensen

1985 – 2017

Early Saturday, August 5, 2017, beautiful Rebecca Lin McAllister Jensen, daughter, sister, twin, wife, mother and friend left this mortal coil to return to our loving Heavenly Parents.

Rebecca was born June 5th 1985 and raised in Millcreek, Utah. After graduating from Skyline High School, she attended Snow College when she was introduced to her 1st and only love, Lucas Jensen. Luke and Becky were married October 19, 2007, in the Salt Lake LDS Temple. Later, they were blessed with the light of their lives, Keke May Jensen, on October 21, 2012.

Endurance and selflessness are the embodiment of Becky's personality. No weakness could slow her down. While battling with some health issues, she continued to uphold her duties as mommy, wife, co-worker and faithful member of The Church of Jesus Christ of Latter-day Saints, to the fullest. She constantly made sure all of her loved ones were well taken care of. She made each and every one of them feel unique, accepted, and one-of-a-kind. Becky befriended the lonely and served all around her.

Becky radiated fun and compassion, no matter how busy. She was a lover of holidays, Halloween in particular. Music was a lifeblood and something she quickly would share with others. She found joy and pleasure in the random. She delighted in the small moments. Being in her company would always result in laughter and smiles.

Her sudden departure was a shock to her family and everyone else who loved her. We are all lost and in pain but would not change a thing in order to have known her.

Rebecca Lin Jensen is survived by her caring husband Lucas Jensen, daughter Keke, parents Scott and Lora McAllister, her nine siblings, her in-laws, Paul and Gloria Jensen and her loyal cat, Rockso.

Funeral services will be held on 9:00 am, Saturday, August 12, 2017 at the Jordan North Stake Center, 3900 S. 4000 W., West Valley City, Utah, with a viewing prior to the services from 8:00 to 8:45 a.m. A viewing will be held at the same location on Friday, August 11, 2017 from 6:00 to 8:00 p.m. After the service in West Valley City, there will be a graveside service at the Fairview, Utah, city cemetery at approximately 3 p.m.

“ Lora -- we were so saddened to hear of your loss. I didn't know your Becky, but she looks radiant, which coming from your family, does not surprise me. It is unfair for a mother to lose her child and we have grieved with you, even if it has been from a bit of a distance. We send our heart, love, and prayers for you and your family -- Melodie (and David) Webb

“ It takes alot of heart to be the person who holds our family of 10 kids together and that's Becky. She shared little and big interests with us individually and collectively. Being in the middle of our family, she's a lil bit of each of us and we're a lil bit of her, thus we will continue to be a piece of Becky, dancing, laughing, and enjoying silliness.

“ My sister was and still is beautiful inside and out. She tried so hard to do what was right, always. Growing up with her was a delight, because she shared so many interests with me, and we bonded over music and Disney. I often felt she was a "mini me" running around but as I watched her grow I saw her become someone that I want to emulate and the tables turned. But I vow to you, Becky and I vow to all reading this now that I will live my life as a memoir to you. I will try my hardest to live like you did, my darling baby sister. You have and will continue to be, a shining example to me, no mater where your spirit is staying for the time being. I love you and can't wait to see you!. God be with you "till we meet again.

“ Rebecca was such an amazing example to me. There were multiple occasions where she would do something so thoughtful for me or others even though she was going through many trials and obstacles of her own. I was pregnant this last year, and she let me come over to go through Keke's baby clothes. She was very busy working 2 jobs, and that was so kind and generous for her to spend a morning on one of her days off to do something nice for me. Last Christmas, I came back to work from vacation to find a cute little desk decoration gift for me and all our co-workers. These are just a couple examples of how Rebecca exemplified kindness, love, and selfless charity. She was a strong woman, and our thoughts and prayers are with her husband and sweet daughter.

“ *Becky was such a constant in my life. A ever present reassuring warmth. She was so loving and kind. Ready to help in a half a heartbeat. I was honored to call her sister. So much of me and my family has been influenced by her and her bright bright spirit. The world and my life is so much dimmer now.*

“ *Rebecca was one of the sweetest people I had the pleasure of knowing in our Weigh Watchers class. God has definitely gained another beautiful Angel. God bless her beautiful family in this terrible time.*

“ *Rebecca was the Beehive advisor in our ward. For girl's camp, she got a miniature Book of Mormon for every girl in the Young Womens and wrote each one an individualized testimony and put it in the front. My daughter just happened to have come across hers and remarked how much it meant to her. Rebecca was always such a great example. Our prayers are with you! Love, Melissa Wilson (Kli)*

“ *Rebecca was the BEST Visiting Teacher ever! She never missed a month, always gave me a lesson, concentrated on talking about me, and always wanted to leave my house with a prayer.*

She was such a loving mother to Keke! She wanted her to grow up to be smart and accomplished. She wanted her to know how to swim because of the studies she had read that showed a connection between swimming and brain development.

Rebecca had a quiet and unpretentious way about her, but she was so fun to talk to and to visit with. I will miss her forever. She was an example to me of a true Latter Day Saint.

“ I had only met her a couple times but was left with the impression of someone very kind and welcoming.
