“ Rhonda was a kind hearted person. She was a friend who cared about her family very much. I wanted to share a couple conversations I had with her family to let her family know how much she loved them. "My grandchildren are so sweet and an absolute joy. They give me purpose. " She also mentioned how she loved the fall and the colors. I hope you are comforted in knowing she has gone to a better place where she can rest. I will miss her.

“ Rhonda, at High School you were such a kind, soft spoken, always had a smile to share and friendly person. Your time on earth was too short. It was my pleasure knowing you.
