“ Bob and Nancy were the first two people to greet me the first time I attended church, in the Welby 4th ward! I have been friends with them every since. Bob is a wonderful person, and I am relieved that he is no longer in pain. Bob was a great calming influence in our neighborhood, as well.
Your Dad is a great man!

“ Condolences to the entire Chadwick family. Bob was a great man (and Nancy is a great woman) and he will be sorely missed. I never saw Bob without a smile on his face. Bob was always eager to talk about anything and everything. We looked forward to going to the Chadwick home every Halloween for the home made corn dogs and wonderful conversation. There's s special place in Heaven for Bob.

“ Bob is such a GREAT man! I enjoyed listening to his life experiences and he used those experiences to help others with whatever problems they were having! He was always there for solutions to peoples problems! I thank him for helping me several times! He was Funny, and you would always feel better after visiting with him and Nancy! He will be missed, but we will always cherish memories! Praying for Peace and Love to be with the Family!
