

Robert James Martinez

August 10, 1980 - April 20, 2019

August 10 1980 - April 20, 2019

On April 20, 2019 at 4:00 am something I never thought would happen, happened. My brother Robert James Martinez passed away peacefully with his mother, Debbie Martinez, his "lil" brother Angelo Martinez, his sister in law Isabel Villa by his side (also aided by the love and support of so many friends and family). Robert was born August 10, 1980 in Salt Lake City to Tony Freestone Martinez and Deborah Martinez.

Robert had a deep love of music mostly oldies and rap.....he even wrote and sang many himself and would tell you they were worthy of a record deal as he was full of confidence and already had a well-established alter ego we all knew as "Big Beto". Tough as nails, tougher even, but in reality was a big softy with a big heart full of love and forgiveness.

Robert had a heart as strong as a diamond that was created by the heat and pressure of the universe, and his body so tough and durable that was forged by God's own hands, as it was to be tested time and time again.

Robert lived a hard-fought life and in his own words was full of "trials and tribulations". He gave his all in the fight of life, his love deep and intense.

A prayer Robert was found of:

God our father walk through my house
And take away all my worries and illness;
And please watch over and heal my loved ones
and family I pray this in Jesus name.....Amen

Thanks to all who have given us love prayers and support in our time of loss and sadness. We are forever grateful.

A viewed cremation will take place Friday, April 26, 2019 and a funeral mass will take place the following Friday, May 3, 2019, 10:00am at St. Joespeh the Worker Catholic

Church, 7405 South Redwood Road, West Jordan, with a luncheon to follow.

“ Oh man... so many memories. I'll never forget the fun times we shared. And how you always made sure I was safe no matter what. I would walk home at night and even though i was used to the area and knew i would be fine, you would never let me walk alone. I always knew I was safe when you were around. I'm so lucky to have spent the time i did with you in my life. I will miss everything about you. Rest in peace homie!!

“ I remember the many nights staying up late and drinking, (usually at Joey's shop) but one night at my house, my 17th birthday. You and Jr sang Ginuwine to me while I sat in a chair in the middle of the room. You were always singing. You hold a special place in my heart, you are partly responsible for who I am today. You told me once that you knew I "was going to be something one day, you could just see it". That gave me more faith in myself than I knew I had. You had a big heart that will be greatly missed! Love you always Beto.

“ Closer to me than a cousin, he made a huge impact in my life as well as my kids life's. I remember his comment after my son bubba and Damion were doing so well in life after making a lot of stupid mistakes in there past, he said I WOULD LIKE TO THINK THAT THERE DOING SO GOOD IS PARTIALLY BECAUSE OF ME.. he had a lot of wisdom to share not to mention the fact he never made judgment on anyone. Luv u so much and u will be missed.

“ Listening to him rap, and him asking when we were going to get in the studio. I also remember this last time we were both together in the same section in jail unfortunately and shared a lot of deep things about life & God, we had good groups together in there, I remember one sunny day we were sitting in the rec yard catching some rays and he used to have hard candy and he would throw me a couple lol and sing oldies.....and we would laugh Rest Easy Bet
