IN LOVING MEMORY OF ROBERT LEE PARRILL SR

August 12, 1943 – August 19, 2020

Robert Lee Parrill Sr. passed away peacefully at home in Salt Lake City surrounded by his family on August 19, 2020 at the age of 77.

He was born on August 12, 1943 in Denver, Colorado to parents Clifford and Lena Parrill. He was happily married to his wife Sharon Depew Parrill, and celebrated together 60 years of marriage on July, 30, 2020

He is survived by his brother Lloyd Parrill, his daughter Debbie Swatzell, son Robert Parrill Jr and daughter Crystal Wilson, along with 13 Grandchildren and 14 Great-Grandchildren. He was devoted to his family, as hard a worker as you will ever find, and a man of deep and abiding faith.

He accepted Christ Jesus as his Savior as a young man spending his life learning more about the Lord through reading his beloved King James Bible and faithfully attending the Baptist Church.

He traveled the country for 35 years working industrial construction as project manager, dragging a lot of his family with him. He touched the lives of so many throughout the course of his life because of his patience and ability to relate to them.

He always loved kids, according to his daughter because he was just a big kid himself. He was witty, fun, funny and an absolute pleasure to be around. His sense of humor was legendary in the family and among his friends, as he was throwing out guips and one liners effortlessly with a mischievous grin on his face and a twinkle in his eye.

He loved to fly fish when he could sneak it in. He even carried his fishing pole to South America where the job ended up being in the hottest, driest desert in the world. He was

always up for this favorite sport of tennis or any other game his grandchildren might suggest, a natural athlete, everything came easily.

“ I am so lucky to have grown up with such an amazing Grandpa. I feel incredibly blessed to have had so much time with him and will cherish all of the memories we made as a family. Some of my favorite memories include having water balloon fights and spending a lot of time in the pool, as well as all of the mornings he would take me to school and get me coffee on the way. He always made sure I had anything I ever wanted. I look back at videos of him trying to get me to say Grandpa, but I would just respond with Mama. He would just laugh and keep trying. One of my favorite memories was when he met our son Jack, we flew out to make sure he got that chance. I wish he could have gotten know him and laugh at all of his jokes the way we all did. I always looked up to him and knew him as a hard working kind man with a lot of integrity. You will be incredibly missed, and our memories will be cherished forever. We love you very much.

“ We had such an amazing time just a few weeks ago with Grandpa. Having him meet my daughter Arrow, was one of the single best memories I've had in my life. It melted our hearts seeing him play, sing and joke with her. She instantly loved him just like we all did. He always brought so much love and joy to me and my life. He was such a positive influence on the world and in my eyes was the epitome of what a grandfather should be. We are so lucky to have had such an extraordinary person in our lives. I love you forever and will miss you always!
