“ I am grateful to have had the Thompson's as neighbors during my childhood and for the wonderful supportive friends Bob and Carrie have been to my mother and sister. I have memories of being welcome in their home playing with Melissa and Chris, of boating and learning to water ski when Bob was our Bishop, of borrowing videos from their collection, of seeing Bob out plowing the snow from our driveway multiple times, and of even using their beautifully landscaped yard as a backdrop for my engagement pictures. Bob was a hard worker and very generous. My heart is full of gratitude for knowing this good man. My love and prayers to Carrie and each of the children.

“ I met Brother and Sister Thomson when I would do baptism work at the Jordan River Temple. I would see them every week, and grew to love them greatly....it wasn't until later I found out they were in my Stake. The impression they made on my life was huge, and eternal. I am a better person because of them. I LOOOVVVED seeing them at conferences and other meeting and tried to always say hi. HIs quiet, kind and loving personality light skin up any room. I am saddened to hear of Brother Thomson's passing, but I know it will only be a short time before we will meet again. MY thoughts, heart and prayers go out to Sister Thomson and her family.
