“ To Rosemary's Family: I am so sorry for your loss. As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends. Please accept my sincere condolences for your loss. Please find comfort in the following Bible verse, John 11: 11 where Jesus said: "... Lazarus our friend has gone to rest, but I am journeying there to awaken him from sleep." Please also find comfort in knowing that our Almighty Heavenly Father holds out the hope of the resurrection and the ability to see our loved ones again.

“ I will always remember that special Valentine's day when I was about 11 years old. I had just started to live with David and Lorie and we had been out and about the night delivering valentines. When we pulled into the driveway, we found a bag placed on the porch with my name on it. This would have been my first Valentine's EVER! It was a bag completely full of make up from Rosemary. She left me a note of how beautiful I was and that she wanted to make sure I knew that I was welcome into their family.
Thank you so much, Rosemary, for always making me feel a part of the family. Until we meet again! I love you!

“ That must have been quite a homecoming celebration for Rosemary to be welcomed home by her three children. Her optimistic spirit and happy attitude allowed her to spend many more days on this earth enjoying her family and grandkids. She couldn't talk enough about those grandkids.
