“ Dear Charlene,

I will miss you, dear friend. I have enjoyed being your Visiting Teacher (ministering friend) for many years and I WILL MISS FUTURE VISITS WITH YOU. I am glad you are out of the suffering you have endured for many years and are now with loved ones who have passed on before-- and with your Heavenly Father.
With love, Helen

Dear Charlie, Shenole (Brian) and Scott (Kristen) and families,

Sorry for your loss. Our love and prayers are with you at this most difficult time. It seems there's very little anyone can say or do to ease the loss of one who meant so very much to you. May you find some comfort in the sorrow that you bear just knowing there are many hearts that understand and care. On this day and in the days ahead, may the love of those around you help lift the sorrow from your heart. May God Bless and comfort you throughout this difficult time.

Thinking of you with Deepest Sympathy and Love,
Helen and Howard Warner

“ Charlene was my visiting teacher years ago. She quickly became my friend, saw the good in me, loved me and never judged me. I'm active in the church because she helped me find my way back to the Gospel. I'll always be grateful and love her for that blessing in my life. During some of our last conversations, she said she wished to give me a gift that I could see myself through her eyes. That would have been a most precious gift because she always saw me much better than I am. I'll miss you my friend. Melodie Motock

“ Charlene and I were childhood friends, but had not seen each other in years. I suppose the last time I saw her was at her Father's passing. We did send Christmas cards each year. I am so sorry.
