“ You are right. He will always be remembered. He used to come to our home and visit in Deweyville. I met him through my partner at the time. We hung out quite a few times. He was sad that he couldn't join us for one of Cher's concerts out of state so my partner Corey called him during the concert so he could listen to her live over the phone. He was pretty excited about that. I'm glad I got to know Gary too before he passed on. I loved them both but I liked to visit the ferret. LOL. No really, I really enjoyed their company. I have a lot more memories of Scott. As long as we have the memories, he will stay in our hearts and out thoughts. Sending love to you all.

“ My heart breaks to learn of Scott's passing. My sincere condolences to all his friends and family. He was one of the first people I met when I moved to SLC and we had been friends ever since. We managed to stay in touch in spite of either of us moving or changing phone numbers over these years. I'm so very thankful that I was able to have dinner with him and catch up a couple years back when I was passing thru SLC. He was so friendly, sweet, great to spend time and talk with. He will surely be missed! Rest in peace, my dear friend!
