“ Shelley was my Young Women's leader growing up. She had such an amazing smile and a beautiful laugh. We had so much fun together. After I got married my husband and I moved into a new neighborhood. Our first day at church I saw Shelley! I was so excited to see her! She gave me a huge hug and the biggest smile. I'll never forget it. She always made me feel loved. I'm so grateful to know that I will see her again and that she'll be with her family as well.

I have fond memories of Shelley and I'm saddened to hear of her loss. We were fast friends when we moved into their ward. I was a new Mom and she gave me such great advice! We were in YW together and I'll always remember when we were at an overnight camp and we were laughing hysterically at something Shelley had said and the young women told us to be quiet so they could sleep. Which made us laugh even more, A priceless memory! God be with you Susan!

“ Shelley was my Relief Society President for the short time I was in her ward. Her sincerity was apparent from the first moment I met her and was only rivaled by her selflessness. Shelley is a true beauty; the kind of woman who makes me want to be a better person. I'm so glad we had the opportunity to meet in this life, and I look forward to seeing her again in the next.

“ I remember Shelley from going on the Board tours with her. She was always so interested in learning about all the things and such a fun travelling companion, so funny and cute. I've missed her company on those trips ever since Val retired.

“ My heart hurts for all of you. I love the sweet memories of our game nights, our sweet and often long conversations and her upbeat sweet personality. I am thinking of her reunion with her dad who perhaps welcomed her as she passed beyond the veil. A very loving person, our Shelley. She will be missed by so many who love her...

“ I'll forever remember Shelley during my high school years with Shanna! Her giving us a hard time for drinking so much mountain dew!! 🍷🍷 Even years later when we reconnected and played bunko for years! Shelley had an infectious laugh and love for life! I'm so sorry for your loss. The world lost a true angel!

“ Oh how I loved Shelley. I had many opportunities to be with her. We worked together at Robert M Payne MD's office. We had a wonderful and hilarious time working together. Shelley and I also participated in many home parties. We sold a lot and bought a lot together. When I shared that Shelley had passed away my friend was so sad. She reminded me about attending a bridal shower for herself and getting to know Shelley better. We laughed about the gift Shelley gave her. It was clever and extremely funny. We were neighbors and worked together on many committees. She served others very well. She loved and cared for all. I'd see her out walking. She walked 3 miles. I walked 3 minutes with her. Shelley and I were diagnosed with cancer the same day. I will never forget that, ever. We shared tears and joys and sorrows and treatments and testimonies together. She had such a firm and faithful testimony of the Lord Jesus Christ. Many times she lifted me as she shared her testimony. I love her and will miss her. I pray for Val and her children and grandchildren. She loved you all so much. May your hearts be comforted at this time of sorrow.

“ The memories I'm thinking about today are very simple, every day events. Walking together to the mailbox and going to "card class" She always asked me how I was and really listened. I will miss her!

“ I remember Shelley always friendly and thinking positive about life. She was always willing to help wherever she was needed. She was an awesome friend, neighbor and sister in our ward. I will miss her especially as she used to walk around 3 miles each day. I would see her often.
