“ Dear Shirley mom even though your son JT and I didn't continue our marriage what I love most about you is your big Compassionate Heart and how much you sincerely cared about myself and my little family for all the many years after that Union ended. I enjoyed so much you're funny thoughtful packages you sent in the mail to us and how you remembered all the holidays and would give me frequent phone calls. Thank you for all the visits we shared with one another. I'm sure that all the animals that you've loved and cared for met you on the Rainbow Bridge. Please give Zoe, Morris and Angel a hug for me. And I'm grateful that you're now one of my angels in heaven love you always.
