We will be holding a Celebration of Life at Emma Russel Park 4300 West 5700 South Roy, Utah, following the services. She was a doting mother and wife and loved watching her son play baseball and her daughter dance. She was the life of the party and loved to dance and sing. She left this world too early and suddenly and will be deeply missed by those who love her. She is loved but we will never forget.

“ Steph like to do my hair. When she was done it was always the biggest and fluffiest it would go and I would have a can of hairspray on it to support it! 😭 she was always good to me and I have many memories of having fun with her when we were little.
