

Stephen Francis Brigham

April 24, 1956 - November 2, 2012

There are no strangers, only friends you have yet to meet.

On Nov. 2, 2012 Stephen Francis Brigham passed away following a brief battle with cancer. He was born April 24, 1956 to Frank and Joanne Brigham in Worcester, Mass. His family moved to Utah when he was 11 years old and he immediately fell in love with the beauty of Utah with its majestic mountains, red rock deserts, and rich Native American history. Steve loved his family, fishing, rock hounding, getting to know people and music. His favorite song of late was "Don't forget me when I'm gone" and no one will. He was the guy who would give you the shirt off his back or loan a friend his last dime. He always had a bounce in his step and a smile on his face. Steve loved to share stories of his adventures as a ranger at Goblin Valley. He loved hiking slot canyons, exploring caves, and searching for petroglyphs. He especially enjoyed making friends with people from all around the world. He loved volunteering every year at the Moab Folk Festival. Steve's amazing people skills earned him frequent recognition as an excellent salesman while working at Carlson Distributing. Most recently he worked for MonaVie where he made life-long friends and earned the love of everyone he worked with. His greatest joy in life was being "Grandpa" to Jaiden and Juleah. Steve is survived by his children Lacy and Cory, two grandchildren, brother Scott (LuAnn) Brigham and 3 sisters Lynne Milley, Elaine (Mark) Schmidt, and Eileen (Gem) Morris. He was preceded in death by his parents and brother Mike. Steve was a friend to everyone and will be missed by all who had the great fortune of knowing him. A special thanks to everyone at Spring Creek for their loving care and friendship. As per Steve's wishes there will be a celebration of his life in Goblin Valley in the spring. We love you Steve!

“ I know that this is late but better than never. I just wanted to say thanks to everyone who shared a kind word to any of our family. My Father considered his friends family as well and he never forgot anyone. At least he now can be at peace where he always has wanted to be. He has and always will be a part of everyone he has every known. I love ya Daddy! May the music and the dancing keep going.

“ Scott & Gem, I was out of town at the time of Steve's death. I was devastated to hear of his passing as I didn't even know he was ill. I am so very sorry for your loss. Steve was so kind and helpful towards me. I thoroughly enjoyed working with him at MonaVie, as well as the both of you. I would have visited him if I had known. He loved his immediate and extended family tremendously; he was always talking about them. Steve was a man who left footprints on your heart. I will always remember him.

“ To family, My sincere condolences .There is no greater pain than the death of a loved one. Sometimes it seems almost more than a person can bear. Jehovah God helps us with this in His word. He promises us that He will put a stop to all sickness and death will be no more (REV 21;3.4) Jehovah also shows His love for us through the ransom sacrifice of His beloved son Jesus Christ. What a wonderful gift to be given ! Then the hope of seeing one's loved ones again on this earth transformed in a paradise as it was Jehovah's will when He created Adam & Eve .

“ I met Steve at Goblin Valley over 10 years ago. We always stayed in touch through the years (Steve was better at it than me :)) He was a friend to everyone. He knew how to live life. And he loved life. He will be missed but remembered fondly.
